

Sinclair Broadcast Group's decision to use the public airways to promote Bush only is unjust. They are abusing their position and power in an effort to push onto the public what is entirely only in their self behalf. Fine, show the anti-Kerry film but allow equal time and coverage to both sides. This is the democratic way... The Sinclair way is the wrong way and according to the FCC rules, illegal.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They should be fined and their broadcast license should be lost at every single station they own.

Thank you.
